

3-IN-1 & 4-IN-1 WRAPS

MAXXDUTY WRAPS PROVIDE EXTRA STRENGTH TO PROTECT VITAL SYSTEMS

The 3-in-1 wrap consists of two 3/8" rubber air hose lines equipped with Tramec Sloan's Dura-Grip handles, also available with red and blue hose. The 4-in-1 lift gate cables are designed with a single or double pole power line. One cable contains an emergency air line, service air line, abs electrical cord, and a single or double pole power line tightly wrapped together. Now available with color coated springs for easy identification.

FEATURES & BENEFITS

- Combines Components into One Tight Bundle.
- Keeps Power Lines from Becoming Tangled.
- Provides Superior Abrasion Resistance.
- Standard Color Coated Springs Provide Easy Identification.

Handles From Left to Right: Dura-Grip, Aluminum, MAXXGrip, and Powder Coated MAXXGrip.
