

3-IN-1 & 4-IN-1 WRAPS

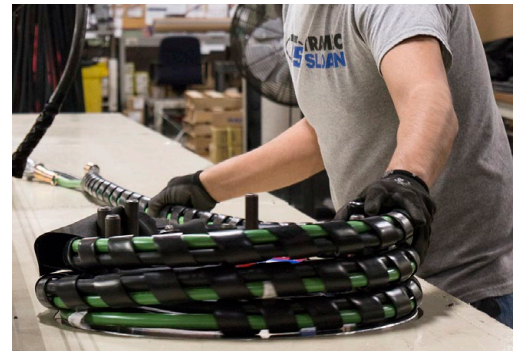

PROVIDING EXTRA STRENGTH & ORGANIZATION TO PROTECT YOUR VITAL SYSTEMS!

Wrapped air and electrical lines stay organized and are more protected from damage.

FEATURES & BENEFITS

- Wraps combine components into one tight bundle which prevents lines from becoming tangled and provides superior abrasion resistance
- Tramec Sloan's 3-in-1 and 4-in-1 Wraps are **American made!** Hoses, cables, and completed wrap assembly are all made in the USA
- Our Wraps come standard using 3/8" hose assemblies with 1/2" adapter swivel fittings with springs. Plus: hanger clamp, carabiner, and sleeve.

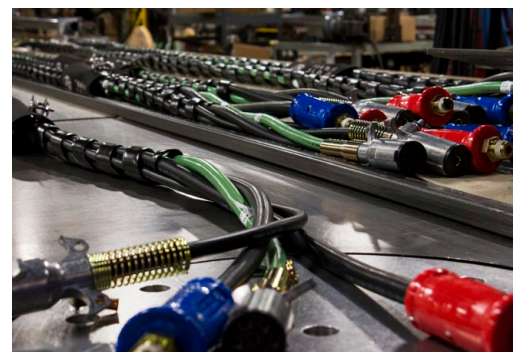

Made in the USA! Wraps bring together components made at three of our U.S. manufacturing facilities.

CUSTOMIZE YOUR WRAPPED LINES!

We can create any combination of variables required:

- Overall Working Length
- Hose Colors
- Electrical Cable(s)
- Handle Type (*pictured right*)
- Wrap Style

See back for more details.

Custom Created for You: Each wrap is built to order with the exact combination of features you require.
