

RAINFORCE™

MICHELIN WIPER BLADES DESIGNED TO PROVIDE EASY INSTALLATION & EXCEPTIONAL VALUE

FEATURES & BENEFITS

- Features a heavy duty frame with all-metal riveted construction & aero vented design
- Compression-molded, graphite-coated natural rubber blade for an improved wipe quality that's smooth & quiet
- The aerodynamic design & durable stainless steel flexors help hug the glass in all weather conditions
- Pre-installed connector system for fast, easy installation
- Add suffix "B" for bulk unpackaged wipers in standard pack of 10
